11. I am having problems uploading documents to Blackboard. Can you give me some help?

Use the appropriate browser (see question 5 above)

Use ONLY alphanumeric characters (A-Z/0-9, no spaces or punctuation) when naming a file to be uploaded. You will get an error message instead of the document attached or posted in the course if the name of the document is too long and does not have the underscore "_" between words.

Example of proper format:
Adolescents_and_own_life_and_death_decisions.doc

Be patient, wait for the "This assignment is complete" receipt. DO NOT click elsewhere while uploading a file.

12. What do I need to do if by mistake I submitted the wrong Assignment or SafeAssignment document?

If your Professors are not allowing multiple attempts for the assignment, you should contact them and ask for the opportunity of resubmit your paper. They will be able to clear your previous attempt and permit you to submit the paper again.

7. Why am I not receiving e-mails from my Blackboard classes?

Your CUNY related e-mail address should be your default email address on Blackboard, but the Blackboard system will keep the primary e-mail you entered the first time you enrolled in a class at the College. To verify this email address:

- In the Home tab, find and click on the mail link in the Tools module.

Some e-mail providers, such as Yahoo, Hotmail, and AOL, may identify email from Blackboard as junk mail and then either automatically delete the email or move it to a junk mail folder. If you are using the college email, please check your settings to make sure that you do not have e-mail from Blackboard defaulted to go to your junk folder.

8. How do I change my email address on Blackboard?

You can have only one email address in Blackboard. The email address that is active in the CUNY portal is brought into the Blackboard system. If this address is not the one you use, you can now change it ONLY to a CUNY RELATED EMAIL ADDRESS in Blackboard.

1. In the Home tab, find and click on the Email link in the Tools module.
2. Enter the new Email twice.
3. Click Submit.

NOTE: This will not change the email address used in the CUNY Portal or any other CUNY system. It will only change the email used by Blackboard system.
